enjoyment and playtime fun
this holiday season

Welcome to Christmas 2018

Welcome to K9 Homes Pet Products 2018 Christmas Catalogue, this is our largest Christmas range ever. The theme follows along the same line as the last two years, due to the positive feedback we have received from our customers. Some new products, some all time favourites and requested repeats are all in this years product range.

Our Christmas product representatives "Oggy and Kitty" do such a great job every year we have decided to run with them again for the 2018 festive season.

The Christmas theme is consistent across the whole product range, making it very easy for your store and staff to promote the range to your customers.

Our Christmas range always sells well and we found last year some of our customers missed out on certain products. So to guarantee supply of your chosen products don't leave it to late to order.

Do not miss out Christmas is just around the corner!

ORDER NOW!

Yours Sincerely,

Darren McRostie
