3D Magic Shampoo

Deshedding - Detangling - Dematting

Introducing 3D Magic Shampoo from Magictails - the revolutionary Australian-made, biodegradable shampoo that solves three of the most common coat problems in one powerful formula. Scientifically developed to provide unparalleled results, this shampoo is a game-changer for pet owners

3D Magic Shampoo tackles de-shedding, detangling, and de-matting with ease. Say goodbye to loose hair, mats, and tangles with this advanced formulation designed to effectively remove shed hair while effortlessly addressing stubborn knots and tangles.

Ideal for double-coated breeds or any coat, this shampoo unveils a sleek and well-nourished coat, making grooming an absolute breeze. With 3D Magic Shampoo, shedding, matting, and tangling become a thing of the past, allowing your dog's coat to take centre stage in all three dimensions.

3D Magic Shampoo benefits:

- 3-in-1: De-shedding, Detangling, and De-matting
- Scientifically formulated
- Ideal for Double-Coated Breeds
- Ideal for all breeds, ages & sizes.
- Unveils a Sleek and Well-Nourished Coat

Available Now: 5Lt size
Coming soon 1Lt

Comments from Groomers:

- Helps reduce grooming time
- Less stress on the body
- On return visits— reduces grooming time.
- Can see the difference in the coat.

How to Use:

Directions:

1. Rinse coat with clean water
2. Apply shampoo making sure to work it into the coat until shampoo lathers. Apply more water if needed.
3. Massage the coat while letting the shampoo sit for a few minutes. Ensuring you have lather everywhere.
4. Rinse thoroughly with clean water. Rubbing hands through coat will loosen more hair.
5. If required condition with Magic Tails Creme Conditioner
6. Towel dry/ Blow dry.

For best results break up any large matting before bath.
