

TRACKING LEAD

K9 Homes Pet Products Tracking Lead, has many functions.
The lead can be used as a Tracking Lead, Recall Leash or a Training lead.

The lead is perfect for dog training and learning commands when training requires distance for tracking work. For long distance walks where it is not safe to let your dog off the lead. Or when using as a recall leash it is ideal for teaching your dog obedience to come to you when called, or to help to teach the retrieve (fetch) commands.

Standard length is 10metres.

Custom sizing/lengths can also be made to your customers specifications.
