

LITTER TRAY with Sieve and Scoop

- + Keep your home hygienic and clean by providing a regular place for your cat to do what they gotta do!
Litter Tray with Sieve reduces maintenance time and helps your litter last longer.
- + By shaking the sieve tray any litter that has absorbed liquid will fall through to the base allowing it to be easily disposed of.
- + -Well-engineered the sieve tray system will pay for itself in a short period of time.
-Less smell/odour more hygienic than standard litter trays.
-Easy to clean.
-Durable smooth surface finish plastic.
-Can be used with rabbits or other small animals needing a place to do what they gotta do!

+ What you get:

- + Litter Tray
- + Sieve
- + Scoop

+ Approx. Dimensions:
